LAPIDARIA MENOTEC REGULAR END-USER LICENCE AGREEMENT

This licence permits without restrictions:

- the use of the Font **Lapidaria Menotec Regular** for editorial purposes,
- the use in print and web environments,
- the free distribution of the font,
- backup saving of the font data.

The aforementioned usage is allowed under the following conditions:

- when distributed the font has always to be handed over together with this licence document;
- when used in journals, books or academic papers or similar editorial matters, as well as with websites or online text editions, a note has to be placed in the imprint:
"Font Lapidaria Menotec, by Andreas Stötzner"

This licence does not allow:

- any design change of the font,
- any selling of the font to third parties,
- any kind of implementation or embedding of the fonts into items or products, which are intended for sale.

In case of any question regarding the terms of this licence please send a message to as@signographie.de

vs. 1.0 - April 2014
